FROM THE PRINCIPAL'S DESK

Kumarganj College is a Co-educational institution located at Kumarganj Block which is next to Kumarganj Police Station and Kumarganj High School, in the district of Dakshin Dinajpur. With the missionary zeal, untiring efforts, noble sacrifices and undaunted initiative of people of that locality in general, Kumarganj College was brought into existence as the temple of learning on the auspicious day of 5th May, 2016; to cater to the long felt thirst for knowledge of the young rural aspirants. Affiliated to the University of Gour Banga, Kumarganj College is one of the rising degree colleges in the district of Dakshin Dinajpur. The campus area is about 20253 square feet while the main built up area is about 6200 square feet enriched with the potentiality for developing it into an ideal institution for higher studies.

The college was established in 2016. In such a remote area like Kumarganj, the academic journey of this institution started only with thirty seven students, seven guest lecturers in seven different departments. In the opening session (2016-17) there was only general course of studies comprises seven subjects. From the next academic session onwards the college has been offering honours course of studies in seven subjects (Bengali, English, Sanskrit, History, Philosophy, Political Science, Education) and from the session 2019-20 the college has been offering two more subjects (Economics and Geography) in general course. The college has already introduced a well-planned curriculum for Choice Based Credit System (CBCS) in 2019 and thereafter New Education Policy (NEP) in 2023 under The University of Gour Banga. Thus, gradually the institution has been unfolding its potentialities.

Finally, I want to assure that the college administration, our experienced teachers and most supporting staffs are doing their best to give the students required edge to make their mark in this global world and to turn this institution into a Centre of excellence.

With warm wishes
Prof. (Dr.) Dipak Mondal, PhD
Principal

History of the College

The establishment of Kumarganj College was the result of the collective efforts and aspirations of the local people of Kumarganj and nearby villages. Prior to the establishment of the college, students had to travel long distances to pursue undergraduate education. Recognizing the urgent need for higher education facilities in this remote region, a meeting was convened by the District Magistrate of Dakshin Dinajpur in July 2012 to form an organizing committee for the college.

Following this initiative, a memorandum of association was registered in December 2012 under the West Bengal Societies Registration Act. After years of planning and community support, the college officially started its academic journey on 5 May 2016.

In its initial year, the college started with 37 students and seven guest lecturers offering general courses in the arts stream. Over time, the institution expanded its academic programmes and introduced honours courses in several subjects.

Today the college continues to grow with the vision of becoming a centre of higher learning for the rural population of the region.

Location and Environment

The college is situated in the rural area of Kumarganj in Dakshin Dinajpur district. The campus lies close to the **Atrai River**, also known as the Atrayee River, which adds natural beauty and serenity to the academic environment.

The surrounding region is predominantly rural and inhabited largely by economically and socially marginalized communities. A significant portion of the student population comes from minority and backward sections of society.

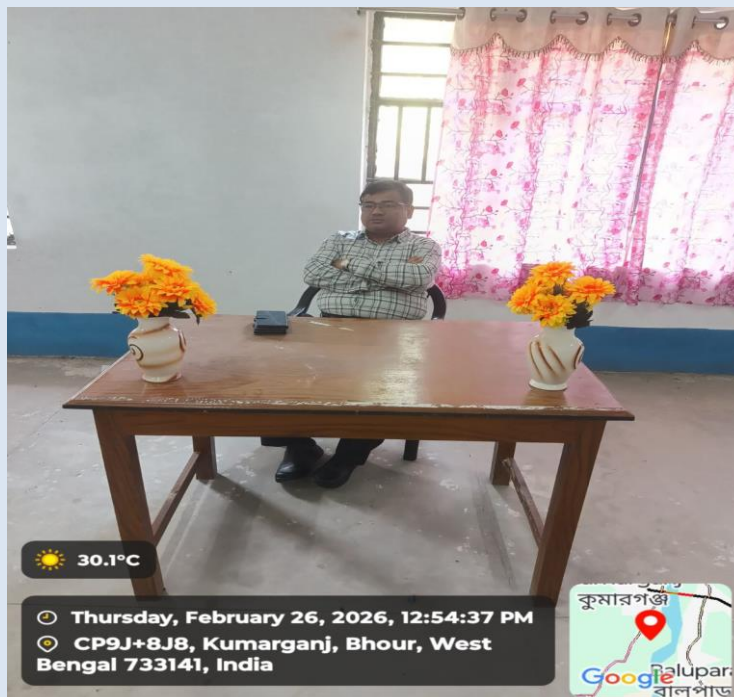

By providing higher education opportunities in this area, the college plays an important role in promoting educational inclusion and social development in the region.

Vision & Misson

Vision

Kumarganj College, established in 2016, envisions itself as a centre of inclusive, holistic, and transformative education dedicated to the rural and border communities of Dakshin Dinajpur. The college strives to provide quality higher education that combines academic excellence with moral values, social responsibility, and humanistic ideals, ensuring that students from all socio-economic and religious backgrounds have equal opportunities to learn and grow. Situated amidst the serene natural surroundings of the Atrai River and the Kumarganj Forest, the institution believes in integrating environmental awareness with education and encouraging students to develop a deep respect for nature and local ecological heritage. Through initiatives that promote sustainability, cultural awareness, and community engagement, the college seeks to nurture responsible, compassionate, and globally aware citizens who remain rooted in their local identity. Kumarganj College also believes that education is a shared journey involving students, teachers, staff, and society, and is committed to creating an enriching and supportive environment where every stakeholder experience growth, dignity, and meaningful transformation.

Campus and Infrastructure

The college campus is located in a spacious rural setting with scope for future expansion. The institution presently has:

- Around 12 functioning classrooms
- Administrative office
- Academic departments
- Basic academic facilities

Although the infrastructure is still developing, the college administration and faculty members are actively working toward improving facilities and expanding the campus. There are also plans to construct additional buildings and introduce a science stream in the near future.

Library Facilities

The college has a well-equipped library that supports the academic needs of students and teachers. The library houses a good collection of textbooks, reference books, journals, and other academic resources related to different subjects taught in the college.

Students are encouraged to make full use of the library for study, research, and preparation for examinations. The library provides a quiet and comfortable environment for reading and learning.

Library services include:

- Issue and return of books for students and faculty
- Reference section for consultation within the library
- Reading facilities for students
- Access to academic and subject-related materials

The library plays an important role in promoting reading habits and supporting the overall academic development of the students.

Teaching–Learning Process

The college follows the curriculum prescribed by the **University of Gour Banga**. The teaching–learning process focuses on classroom lectures, interactive discussions, and continuous assessment.

The Principal has instructed all teachers to follow the **chalk-and-talk method** as the primary mode of classroom teaching to ensure clarity and effective communication of concepts.

Teachers encourage students to participate actively in academic discussions, seminars, and various educational activities that help develop critical thinking and academic skills.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of the college functions to ensure and promote quality in academic and administrative activities. The Chairperson of the cell is Dr. Dipak Mondal (Principal), and the Coordinator is Dr. Samir Shaw. The IQAC also consists of other faculty members of the college.

The IQAC plays an important role in maintaining and enhancing the overall quality of academic and administrative activities of the institution. The cell works towards:

- Promoting quality in teaching–learning processes
- Encouraging academic and institutional development
- Monitoring and improving academic standards
- Supporting various academic and student-oriented activities in the college

National Service Scheme (NSS)

The **National Service Scheme (NSS) Coordinator** of the college is **Dr. Samir Shaw**. The college has an active unit of the NSS which aims to develop a sense of social responsibility and community service among students. Through NSS, students are encouraged to participate in various social awareness and community development activities. The NSS unit regularly organizes programmes such as environmental campaigns, cleanliness drives, tree plantation, health awareness programmes, and rural development initiatives for the benefit of the local community. These activities help students develop leadership qualities, teamwork, and a strong sense of civic responsibility.

Anti-Ragging Cell

The Chairperson of the Anti-Ragging Committee is Dr. Dipak Mondal, and the Chairman of the Committee is Dr. Subhajit Dutta. The college maintains a strict anti-ragging policy to ensure a safe, respectful, and welcoming environment for all students. The Anti-Ragging Committee actively works to prevent any form of ragging within the campus. Any form of ragging is strictly prohibited and is punishable according to the rules and regulations of the institution as well as the laws of the Government.

National Cadet Corps (NCC)

The **NCC Coordinator** of the college is **Ashesh Subba**. The National Cadet Corps (NCC) unit of the college encourages students to develop discipline, leadership qualities, and a sense of national service. Through various NCC activities such as training programmes, drills, camps, and social service activities, students gain valuable experience that helps in building confidence, teamwork, and a spirit of patriotism. The NCC also provides opportunities for students to participate in national-level camps and other developmental programmes.

NAAC Preparation Committee

The college has formed a NAAC Preparation Committee to work towards the process of accreditation by the National Assessment and Accreditation Council (NAAC). The Coordinator of the NAAC Preparation Committee is Prasanta Kumar Ghosh. The committee, along with other faculty members of the college, is actively working to improve the academic and administrative standards of the institution. Continuous efforts are being made to strengthen infrastructure, enhance the teaching–learning process, and promote various academic and student-oriented activities. The college is committed to achieving NAAC accreditation in the coming years through dedicated planning, systematic development, and collective effort from the faculty and administration.

Women's Cell

The **Women's Cell** of the college works towards promoting gender equality and ensuring a safe, respectful, and supportive environment for female students. The cell regularly organizes awareness programmes on women's rights, health, safety, and social empowerment. It also encourages discussions, seminars, and activities that promote confidence, leadership, and the overall development of women students. The Women's Cell plays an important role in addressing issues related to gender sensitivity and works to create a positive and inclusive atmosphere within the college campus.

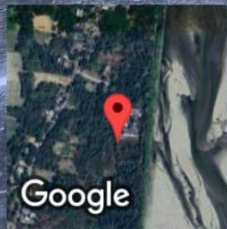

Cultural and Co-Curricular Activities

Apart from academic programmes, the college actively encourages students to participate in cultural and co-curricular activities. These activities help students develop creativity, leadership skills, teamwork, and a strong sense of community. The college regularly organizes various cultural and commemorative programmes throughout the year. These include celebrations such as **Rabindra Jayanti**, **Swami Vivekananda Jayanti (National Youth Day)**, **Independence Day (15th August)**, **Netaji Jayanti (23rd January)**, **International Mother Language Day (Bangla Bhasha Dibas)**, and **Saraswati Puja**. In addition to these events, the college also observes important national and cultural occasions such as **Republic Day (26th January)** and **Teachers' Day (5th September)**, along with cultural programmes, seminars, and student performances. These activities provide students with opportunities to showcase their talents and actively participate in the cultural life of the institution.\

Sports Committee

The Coordinator of the Sports Committee is Dr. Rajkumar Midya. The college has an active Sports Committee that encourages students to participate in various sports and physical activities. The committee works to promote physical fitness, teamwork, and a healthy lifestyle among students. The college organizes different indoor and outdoor sports activities throughout the academic year. Students are encouraged to take part in games such as football, cricket, volleyball, badminton, and other athletic events. The Sports Committee also motivates students to participate in inter-college and local sports competitions. Through these activities, students develop discipline, leadership qualities, and a spirit of cooperation and sportsmanship.

Future Development Plans

Kumarganj College has several ambitious plans for the future aimed at improving academic quality, infrastructure, and student facilities. These include:

- Expansion of academic infrastructure
- Construction of new buildings and classrooms
- Introduction of **Science stream courses**
- Strengthening library facilities and learning resources
- Development of digital and ICT-enabled classrooms
- Improvement of campus facilities for students
- Encouraging research, seminars, and academic activities
- Promotion of student support and career guidance programmes
- Application for **NAAC accreditation within the next 5–7 years**

Through these initiatives, the college aims to provide better educational opportunities and support the academic growth of students from the surrounding rural and minority communities.
